ABOUT US

INJECTO offers safe primary packaging solutions for the pharmaceutical industry

ABOUT US

INJECTO offers safe primary packaging solutions for the pharmaceutical industry

OUR VISION & MISSION

Our Vision is to deliver innovative clean prefillable injection devices and components for injection systems.

Our Mission is to contribute to safe pharmaceutical packaging by developing optimum solutions for the pharmaceutical industry and ultimately the patients in need.

OUR VALUES AND PROFILE

We are a company with a global perspective that values new ideas, passion, simplicity, entrepreneurship, team play, competence, strategic alliances and proper timing.

We care about the health of the world's population and are committed to strong performance and high quality in everything that we do.

Injecto is a pharmaceutical packaging company with focus on innovation and development of lasting solutions for the pharmaceutical industry.
